

Innovation Realized...

Beauty Care to Fit A Lifestyle

Bringing endless possibilities to reach the modern woman, Aicello introduces an innovative lifestyle accessory to the cosmetics industry. Recently commercialized in Japan, our new generation facial soap is collagen enriched, moisturizing and oxygenating in an elegant, convenient and pocketable form. Wet your hands, each sheet dissolves instantly into a rich lather. *Savonner* is a statement of identity, for the trend setting, modern lifestyle. Use it at home, or have the freedom to be clean and rejuvenated whenever you want to be.

Soft, and translucent, with a WOW factor, *Savonner* is limited only by the imagination:

- Make Up Remover
- Antibacterial Hand Cleaner
- Revitalizing Body Wash
- Shaving Moisturizers
- Gentle Laundry Detergent
- Shampoo, Hair Gels
- Exfoliating Scrubs
